

1st Half of Summer Term

Our big question this half term is “How does your garden grow?’ We will explore what plants need to grow, parts of a plant, how minibeasts help plants and much more!

The children love sharing what they have been doing at home so please feel free to share some photos on Seesaw.

Physical Development

PE days will be Mondays and Thursdays. This half term we will focus on athletics and team games.

We will continue to develop our fine motor skills in school but it is also a great thing to practise at home too! Can you practise cutting out some shapes or building a structure out of Lego or playdough?

PSHE

This half term we will focus on developing relationships and resolving conflicts.

Expressive Art and Design

This half term we will explore how to make 3D artwork using different materials. We will also design and make our own vegetable soup.

Literacy

This half term we will be using a range of texts such as Jasper’s Beanstalk, Katie’s Sunflowers and Mad About Minibeasts.

We will recap level 4 consonant blends and tricky words and embed this in our reading and writing. Please continue to practise sounds, tricky words and sight words (green cards) at home– it makes a huge difference!

Our word and nursery rhyme of the week is posted on Seesaw.

Maths

This half term we are working on:

- Building numbers beyond 10
- Continuing patterns beyond 10
- Verbal counting beyond 20
- Verbal counting patterns
- Adding
- Taking away
- Sharing
- Grouping
- Even and odd sharing
- Play with and build doubles

We will be setting practical maths activities for you to complete this half term.
