‘Letting Our Light Shine’

SUBJECT : PSHE	YEAR : B	TERM: Summer 1	YEAR GROUPS : 5/6
----------------	----------	----------------	-------------------

Key Question: Why is it our responsibility to live as good citizens?

Previous Knowledge – We would expect children to already be able to: Understand about the benefits to tidying the litter up outside and turning lights off to save energy and help the planet. They also understand about why it is important to follow rules and why they are in place.

END OF UNIT OBJECTIVES

Some children will not yet have met what is expected and will show that they are emerging because they can:	Most children will show that they have reached the expected level because they can:	Some children will have gone beyond the expected level and will show that they are exceeding because they can:
...explain what a global citizen is ...say what global warming is ...understand that human energy use can harm the environment ...understand the importance of not wasting water; ...understand what biodiversity is ...understand that their choices can have far reaching consequences ...identify the different things can they do to keep their school tidy	...explain how to be a responsible global citizen ...describe what can be done to help prevent global warming from getting worse ...explain how energy use can be changed to help the environment ...detail the responsible use of water ...understand the importance of biodiversity ...describe the impact of their choices for people and places across the world.	...encourage others to be responsible global citizens ...reflect on how the impact of global warming may affect their future lives; ...develop their own thoughts and ideas on sustainability; ...reflect on the ways in which water supply and use is affected by global warming ...develop a secure knowledge of what can be done to encourage and sustain biodiversity ...begin to analyse their decisions and choices to a greater depth.

ASSESSMENT OPPORTUNITIES

Children will be questioned and their work assessed throughout to assess their understanding. Children will have the opportunity at all times to ask questions to address their misconceptions.
