

BUMBLEBEE CLASS

1ST HALF OF SPRING TERM

OUR TOPIC

This half term we will be exploring Traditional Tales and how these have been passed down through generations. Please can you upload a photo or send a message on Seesaw to let me know your favourite traditional tales as a child.

We will also explore how we can make a perfect chair for Baby Bear to sit on, how we can make different sounds using our bodies and instruments, and how we can create a collage of the seasons.

PHONICS/READING

As we move through the next term children will be continuing with phase 3 sounds. Our main focus will be on digraphs and trigraphs as these are a little trickier! Please keep up the fantastic reading, practising of green word cards and tricky words. Please let me know if you need any further support using the reading lenses.

MATHS

This half term we will be looking at:

- subitising
- addition within 10
- number bonds to 5 and 10
- comparing numbers to 10
- pattern
- pairs
- length and height
- spatial awareness

Please keep reading books and diaries in your child's book bag so we can read with them in school.

Please remember to check in with Seesaw for updates on learning in the classroom. It is always lovely to get your comments on what the children are doing both at home and in school.

PE DAYS

Our PE days will be Mondays and Tuesdays. We are very fortunate to have a gymnastics coach on Tuesdays this half term!

KEY DATES

Thursday 5th January- Start of Term

Friday 13th January- Stay and Read

Monday 13th February - Parent Meetings

Wednesday 15th February- Parent Meetings

Friday 17th February- End of Half Term
