

Summer 1

Owls Newsletter

Welcome back to Summer term. It is hard to believe that we are here already! I hope that everyone has had a lovely Easter break and we're looking forward to hitting the ground running to make sure this final term is a good one!

English

We'll be starting the half term with a poetry unit using nonsense poem 'The Jabberwocky' as our inspiration. Following this, we will be writing diary entries focusing on changing tense purposefully using a Literacy Shed clip 'The Piano'.

Maths

During this half term, we will be working on algebra before delving into a measurement unit exploring area, perimeter and volume as well as converting units.

Geography

We will complete our final Geography unit of the year looking into how natural resources can be distributed in a sustainable way. We will be researching what natural resources are accessible in Britain as well as the positives and negatives of using them. This will give the children an opportunity to practise their debating skills.

RE

Why is the Torah so important to Jewish people? will be our key question this half term. We will be exploring Jewish traditions and practices. Additionally, we have a visit planned from Iman from the Craven Arms Mosque to consolidate our previous unit looking into what it is like to be a Muslim in Britain.

Summer Dates for you diary

PE days - Mondays and Fridays
(Mondays with tennis coach Linda)

11th - 14th May - SATs Week
